

SCTP New Team Package

Sponsored by Zanders Sporting Goods and many other fine supporters of the Scholastic Clay Target Program!

The "SCTP New Team Package" is offered to any new team that has joined the SCTP since September 1st, 2018 and is currently registered with coaches and athletes in the SHOT system. The following criteria must be met to be considered for this package. There is **no charge** for this!

- 1.) Teams must have 2 registered coaches and 10 registered athletes (for the basic package)
- 2.) Teams must have 4 registered coaches and 25 registered athletes (for the premium package)

These packages are sponsored by the SCTP and several fine sponsors and are designed to help grow the youth shooting sports while supporting the SCTP's mission of youth development!

Once the application is received by the National office, the information will be verified and then forwarded to Zanders Sporting Goods for fulfillment. Recipients will receive several boxes including one from the SCTP National Office. Please make sure that your application is legible, and that all information is current and correct.

Packages will be sent out after March 15 and will continue until all items are used up. The SCTP and its sponsors reserve the right to substitute items based on availability. As packages are fulfilled, some shirt sizes may not be available, we will send the closest available size in this case. Supplies donated for this program will allow for 100-150 packages to be fulfilled.

Recipients of the "Premium Package" must provide an FFL to have the firearm shipped to. By law, we cannot ship a firearm without that!
