If you need to use more than 1 form, please do so and number them in the top right-hand corner. This form MUST be accompanied by payment in full: Check, Cashier's Check or Credit Card. All payments made out to SCTP. Please Note: These fees are **NON-REFUNDABLE!!** 

COACHES: you MUST have your squads pre-built in the SHOT system for us to "pre-squad" them for Nationals!! Once you enter a pre-built squad into your state shoot, it has been captured and can be arranged for Nationals without effecting the state shoot! After June 1st you can adjust your squads however you need to.

## **Additional Information**

Coaches, you do not have to pre-squad. National Championship registration will open as always on June 1<sup>st</sup>, 2023, to the public. The "pre-squading" routine is to prevent holding of squad slots that have been later released by teams not needing them. And, to take the pressure off the SHOT system during this very busy time. Offering this is a way we are hopeful that we can keep expenses down to run this tournament.

Squading for Handicap Trap, Double Trap, Bunker Trap and Skeet Doubles will all be available on June 1st for all teams.
