

**SCTP INTERNATIONAL TEAM
SELECTION POLICY**

1. The SCTP International Team (IT) will be selected annually from eligible trap and skeet athletes competing at the concurrent SCTP and ACUI International Championships.
2. Top four (4) male/female trap/skeet athletes, after finals, will be named to the SCTP IT.
 - a. Athletes must have achieved a minimum qualifying score of 90/125 in competition (SCTP International Championships), *regardless of placement after final*.
 - b. Athletes not scoring the minimum 90/125 in qualification rounds will not be eligible for placement on the SCTP IT.
3. Maximum age limit – SCTP collegiate classification applies. An athlete must be a full-time college student, 26 years old or younger.
4. To be eligible, athletes may not currently be, nor have been, a member of a USA Shooting Junior International Team, USA Shooting Junior Squad, USA Shooting International Team, or any USA Shooting Elite Team.
 - a. SCTP IT athletes from previous target year shall be eligible to earn a slot on current target year's team providing they meet the above criteria.
 - b. SCTP IT athletes may only earn slots in one discipline.
 - c. Athletes who "graduate" to a USA Shooting Junior or Open team during their target year will still be invited to SCTP training camps.
 - d. Target year = September 01 – August 31.
5. Athletes no longer filling an active position on the current target year's IT are encouraged to retain and/or continue to use the SCTP IT vest if so desired.
