Find A Shoot

Shoot dates are listed on the SCTP website for state, regional, and national level events. For more information about opportunities to compete, contact your SCTP state or regional director. The SHOT system also lists events that are currently open for registration. There are shoot dates scheduled throughout the year, with our [national championships being held in July at the Cardinal Shooting Center](#) in Marengo, OH.

Resources

The [Forms & Handbook section](#) of the SCTP website is where you can find helpful documents such as the official SCTP handbook, Best Practices Manual, and other helpful resources to help guide your experience starting out as a young athlete or coach.
