Dear School Administration,

The Scholastic Shooting Sports Foundation (SSSF) is the largest youth shooting sports program in the world and administers both the Scholastic Clay Target Program (SCTP) and the Scholastic Action Shooting Program (SASP).

Our local teams conduct thousands of practices and hundreds of events all over the country including local, state, regional and national tournaments. Through practices and competitions our programs teach valuable life skills such as organization, time-management, communication, leadership, respect and responsibility. Our competitions also teach valuable life lessons…..something we feel very strongly about in our programs!

The SSSF and its' programs provide a feeder system and many opportunities for youth to develop in academics, shooting sports and gain valuable life skills beyond the range.

Whether they are chasing that Olympic dream or attending a practice or tournament that requires travel, we ask that the students be given the opportunity to be dismissed from class when their parents and coaches see fit, assuming their academic performance and conduct satisfy your school's requirements.

The following page contains a dismissal permission slip. Should there be any further questions about our program please feel free to contact either the head coach or myself.

Sincerely,

Rick Leach
